Testimonials

Learn from Industry Leaders – HR Certification Courses & HR Classes in Pune

25+ Years of HR Expertise from Top MNCs : Our trainers are currently working professionals with reputable companies, bringing fresh, real-world insights directly from their ongoing roles. This provides students with the unique opportunity to learn from live experiences and connect with industry experts, enhancing their understanding of current HR practices and trends.

- **Expertise from Leading MNCs :** Our trainers bring over 25 years of hands-on HR experience, having worked with top multinational companies across various industries.
- **Comprehensive HR Knowledge:** They specialize in a wide range of HR functions, including talent acquisition, employee engagement, performance management, organizational development, payroll, statutory compliance, HR business partnering, compensation & benefits, and learning & development.
- **Payroll Management Expertise :** With experience in leading payroll outsourcing companies like Neeyamo, Paysquare, SKP, ADP, and BDO, our trainers have

managed payroll for 45,000 to 50,000 employees per month. They offer practical, hands-on training for accurate salary calculations and payroll handling.

👉 **Industry-Specific Recruitment Experience :** Our trainers have over 20 years of experience recruiting for industries such as IT, automotive, manufacturing, healthcare, pharmaceuticals, ITES, construction, banking, and finance. They've worked with top companies like IBM, Cummins, TCS, Amazon, Amdocs, Infosys, Volkswagen, Siemens, and Tata Technologies in both US and Indian markets.

👉 **Highly Experienced Team :** Our team includes seasoned HR professionals—managers, heads, VPs, directors, and HR business partners—who are subject matter experts in their fields and ready to share their in-depth knowledge.

👉 **Global HR Strategies :** With a proven track record in globally recognized organizations, our trainers provide strategies aligned with international standards, ensuring practical, relevant, and industry-specific training.

👉 **Focus on Practical Learning :** Trainers create real-time HR scenarios to provide hands-on learning experiences, ensuring students are job-ready when they take on HR executive roles.

👉 **Tailored Training Programs :** From leadership development to HR analytics and workplace culture, our trainers mentor and empower HR professionals at all levels, focusing on practical applications for today's business challenges.
